A COORDINATED EFFORT BY BREEDERS AND PROCESSORS TO IMPROVE WHEAT QUALITY

MEMO

TO: All Interested Parties
FROM: Ben Handcock, Wheat Quality Council
RE: 2013 Wheat Tours
DATE: January 30, 2013

This is your invitation to participate in one or both of the wheat tours sponsored by the Wheat Quality Council. We are conducting two tours again this year—hard winter and hard spring and durum.

“And don’t Forget. . .

These tours are a tremendous learning experience for any new people in the industry. They are also a great mentoring opportunity since each car on the tour has a tour veteran that can help teach any tour newcomers. This training and mentoring opportunity is an extremely good value for the amount of fundamental wheat industry knowledge that a person can acquire in just 3 short days. Encourage others from your organization or fraternal organizations to join you. A better educated wheat industry is beneficial to all of us.

Take the opportunity and **invite just one person!**”

- ◆ **Check the boxes on the tours you plan to participate in.**
- ◆ **Complete the registration form and send it back prior to the dates listed to ensure that motel rooms will be available.**
- ◆ **After we receive your completed registration form, we will send you detailed information on the tours you have chosen (agendas, hotels, how to pay).**

The registration form will also be on our web site.

Hope to see you on the tours.
