MEMO

TO: All Interested Parties
FROM: Dave Green, Wheat Quality Council
RE: 2022 Wheat Tours
DATE: March 1, 2022

This is your invitation to participate in one or both of the wheat tours sponsored by the Wheat Quality Council. We are conducting two tours again this year—hard winter and hard spring and durum.

“And don’t Forget. . .

These tours are a tremendous learning experience for any new people in the industry. They are also a great mentoring opportunity since each car on the tour has a tour veteran that can help teach any tour newcomers. This training and mentoring opportunity is an extremely good value for the amount of fundamental wheat industry knowledge that a person can acquire in just three short days. Encourage others from your organization or fraternal organizations to join you. A better educated wheat industry is beneficial to all of us.

“Please invite your colleagues!”

- ◆ **Check the boxes on the tours you plan to participate in.**
- ◆ **Complete the registration form and send it back prior to the dates listed to ensure that motel rooms will be available.**
- ◆ **No payment is required at the time of registration. As soon as we receive your completed registration form, you will receive the payment form along with the agenda and hotel information. Please make your hotel reservations immediately upon receipt of the hotel information.**

The registration form is also on our web site. www.wheatqualitycouncil.org

Hope to see you on the tours.
